Please note:

The winner will be the rider or team who completes the course with the least jumping penalties and closest to the optimum time. Time penalties are only considered after jumping penalties have been accounted for. The optimum time will be calculated using cross country speeds for each grade.

A rider who exceeds or is slower than the set optimum time by 10 seconds or more will incur penalty points at the rate of one penalty per second or part thereof. In team or pairs competitions the optimum time must be as for the lowest grade allowed in that class.

The winner(s) of each class must present their equine passport prior to the prize giving.

Please note:

The winner will be the rider or team who completes the course with the least jumping penalties and closest to the optimum time. Time penalties are only considered after jumping penalties have been accounted for. The optimum time will be calculated using cross country speeds for each grade.

A rider who exceeds or is slower than the set optimum time by 10 seconds or more will incur penalty points at the rate of one penalty per second or part thereof. In team or pairs competitions the optimum time must be as for the lowest grade allowed in that class.

The winner(s) of each class must present their equine passport prior to the prize giving.
